Establish Sakyamuni University  
California, USA - November 24, 2025**

**Dear Friends and Supporters,**

On behalf of **Sakyamuni University (SU)**, I am writing to you today with a deep sense of shared purpose and a vision for the future of education. This is more than a new campus; it is the creation of a global center for learning, practice, and community engagement, built on the timeless principles of wisdom and compassion.

Sakyamuni University is a dream taking shape, a place where ancient wisdom and modern knowledge converge to cultivate compassionate, wise, and critically thinking individuals. Sakyamuni University will serve as a beacon of high-quality education, attracting students and scholars from all walks of life. To turn this vision into a reality, we have launched a major fundraising campaign focused on three critical pillars:

**1. Land Acquisition and Infrastructure:** Purchase Property for Our Campus. A strong foundation is essential for any great institution. Your support will enable us to acquire the land and build the state-of-the-art facilities needed for a vibrant hub of learning and practice. From lecture halls and libraries to serene meditation gardens, these spaces will physically embody our commitment to intellectual and spiritual growth.

**2. Curriculum and Faculty Development:** The heart of any university is its academic program and faculty. We are dedicated to creating a world-class educational experience led by dedicated and accomplished experts in their fields. Your contribution will help us attract and retain exceptional faculty, develop innovative curricula, and foster a dynamic environment of scholarly inquiry.

**3. Scholarship Programs:** We believe that a high-quality education should be accessible to all deserving students, regardless of their financial background. By supporting our scholarship programs, you will help remove financial barriers and ensure that talented and committed students can pursue their education and contribute their unique perspectives to the university community.
